

**MOKENA COMMUNITY PARK DISTRICT
DONATE - A - TREE PROGRAM**

The Mokena Community Park District is committed to keeping the parks beautiful. As a lasting gift, memorial, or to commemorate a special person or occasion, you may wish to contribute to the Park District Donate - A - Tree Program.

Trees not only bring color and beauty to the landscape, but help to reduce pollution, protect wildlife, and prevent erosion.

Trees can be purchased any time of the year, although they will only be planted in the recommended planting season. Every effort will be made to honor the request of your choice of trees and park location. The minimum donation is \$100 per tree; the Park District will match your donation up to \$100 per tree. This will cover the cost to plant and care for a tree at least 1.5" in diameter. A one-year guarantee and a one-time replacement within twelve months of planting are provided by the Park District.

At the time of planting, donors will be given a certificate, suitable for framing, which will include the name of the person or event being commemorated. The certificate can be presented to the honoree or their family as a lasting reminder of the gift.

Please complete the following, detach and return with contribution made payable to the Mokena Park District, 10925 La Porte Road, Mokena, IL 60448.

Contributor

Name _____ Phone _____

Address _____

City _____ State _____ Zip _____

Amount of contribution: \$ _____
