Dear Mokena Community Park District friends:

Thank you for reading our 2026 Fall Program Guide! As we welcome another fall season, I'm excited to share some of the many improvements we've made to enhance our parks and recreation facilities for the entire community. One of this year's highlights is the highly anticipated accessible playground at Main Park, which has quickly become a favorite destination for families. Featuring poured-in-place rubber surfacing, 19 accessible play amenities, a dual adult/tot swing, and Mokena's tallest slides. We also completed a brand-new playground at Green Meadows Park, featuring modern play equipment and a large shade structure to help families stay comfortable while they play.

Continuing our commitment to accessibility, we completed several improvements throughout our parks, including a new walking trail at Acorn Park, an accessible entrance to the Main Park Gaga pit, ADA-accessible picnic tables, concrete pads beneath most park portable restrooms, improved access to the stage and seating area at Yunker Farm, and a new dance floor for community events. We also expanded recreation opportunities with the addition of another pickleball court at Buske Park, renovated the Prairie Ridge Park tennis court, made enhancements to the dog park, and replaced several older drinking fountains with new models that include bottle-filling stations.

Looking ahead, we're excited to break ground on the renovation of the Main Park restroom building. The project will transform the facility into a fully accessible restroom with updated finishes and fixtures. The former concession area will be converted into a new community gathering and recreation space featuring a beautiful 180-degree view of the park. We look forward to opening this enhanced facility in time for the start of the busy park season.

The renovated Red Barn at Yunker Farm continues to grow in popularity and has quickly become one of the area's premier gathering spaces. It has already hosted Park District programs, business meetings, showers, private parties, performances, major special events, and weddings. With demand continuing to grow, we encourage you to reserve your holiday parties, weddings, and special events well in advance. A variety of rental packages are available to accommodate gatherings of all sizes.

We're excited to bring several new special events to the community this season! New additions include the Enchanted Forest Family Dance on September 18, a Bags Tournament on September 26, Puzzlemania on November 6, and an enhanced Breakfast with Santa on December 12 at its new home in the Yunker Farm Red Barn. We're also introducing Halloween Mayhem at Main Park on October 24, featuring a Trunk or Treat, the Mokena Market, and a Haunted Trail that brings back the spirit of the haunted trails many residents enjoyed in years past. Our signature Halloween Hollow is getting a fresh new name—Mokena's Fall Family Fest. It will continue to offer all the traditions you know and love, including the carnival, live music, kids games, and the beer tent. We're also excited to add a family movie night on Thursday evening. Best of all, we're pleased to announce that wristbands for the kids' games will be free for Mokena Community Park District residents, making it even easier for families to enjoy everything the festival has to offer. The dates for this are October 1-4. Returning favorites include the House of Frights Halloween House Decorating Contest and the Family Campout at Main Park on August 28, along with many other seasonal events for all ages. Our programming lineup continues to grow with exciting new opportunities for all ages. This season, we're introducing G2VBC VolleyTot Academy, a beginner volleyball program designed for our youngest athletes, along with Smart Steps: Cardio, Strength & Balance and Soft Glow Yoga Night on October 16. We're also excited to launch Golden Gatherings, a new seasonal social series for adults ages 55 and better. These themed events include Halloween Boo & Bites on October 30, Turkey Treats & Thanks on November 13, and Jingle & Mingle on December 11. Of course, many of our community favorites are back as well, including youth basketball, fall preschool programs, youth dance, specialized fitness classes at The Oaks, and our popular youth gymnastics program.

Whether you're trying something new or returning to a favorite activity, we look forward to helping you stay active, connected, and engaged this season. As always, thank you for your continued support of the Mokena Community Park District!
